

LOWELL & JONES

WHO WE ARE.

Lowell & Jones specializes in connecting, curating and executing brand engagements with the aim of increasing visibility and profitability for its partners and clients.

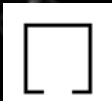

With a unique level of insight into what moves the needle and what's true with iconic figures, high profile influencers and lifestyle tastemakers, Lowell and Jones leverages a combined 30 years of experience and trusted relationships to maximize brand and product performance.

WHAT WE DO.

We help our clients execute their brand vision via unique access to the exclusive rooms at the exclusive events to drive opportunity. We also take a hands on approach to create the right influencer engagement for our clients creating a true private intimate experience. Our approach is defined by our clients objectives as each engagement is unique providing value that only our clients can appreciate.

HOW WE DO IT.
